

Press Release: Win an Amazon voucher with Metrohm's virtual Christmas Calendar on facebook!

Date: 6th December 2011

Christmas is just around the corner! To sweeten the time till then, visitors of the facebook page of Metrohm International Headquarters now have the chance to win an Amazon voucher each day starting December 1st till December 24th!

The facebook page of Metrohm International Headquarters is going to become a virtual Christmas calendar. This means that behind each door of the calendar there is a goody waiting for you – an Amazon voucher worth EUR 20.00 (or the equivalent in your currency)! But wait a minute, this would be too easy for you, wouldn't it? So in order to save your chance to win this voucher, you have to answer the question first that you find behind each door.

If you answer this question correctly, you will automatically participate in a price draw for each of the 24 days/questions. As we will draw the lucky winners only after Christmas, you can save your chance to win the price for December 1st or any other of the following days even on December 24th! Now, take your chance and win with Metrohm!
